

South Carolina UNIFIED CERTIFICATION PROGRAM UNIFIED DBE DIRECTORY

February 22, 2013

NOTICE

Welcome to the new South Carolina Unified Certification Program (SCUCP) DBE Directory

As mandated by the Federal Regulations (49 CFR, Part 26), all recipients of federal financial assistance must participate in a Statewide Unified Certification Program. The SCUCP is a “One-Stop Shopping” Certification Program that eliminates the need for DBE firms to obtain certifications from multiple recipients within the State. These recipients include Federal Highway Administration, Federal Transit Administration, and Federal Aviation Administration. All firms listed in this directory are eligible to participate in each recipient's DBE Program.

If you would like more information regarding the UCP, please feel free to contact the Analyst, Gary Linn, Brenda Parnell, and Syrees Oliver at (803) 737-1372.
